Celebrate Canada Day from morning to night!

By VICKI BROOKER
Review Staff

Elk Point is gearing up for a solid 16 hours of non-stop activities on Saturday, July 1, with events planned for all ages to enjoy.

Elk Point Chamber of Commerce is shining up the griddles for their annual pancake breakfast, which takes over the parking lot of the Servus Credit Union every Canada Day. A lineup of volunteer cooks will be serving up breakfast with a side of down-home music from the Country Playboys between 8:00 and 10:00 a.m.

After breakfast, you'll want to take in one of this year's new attractions: a visual art display and sale located right down the block in the former Red Fox Safety building and featuring the work of local artists. Doors are open from 8:00 a.m. to 1:00 p.m. so be sure to go take a look around.

The parade, lined up by the Elk Point and District Lions Club and judged by Elk Point Community Lions, will once again form up at the Iron Horse Trail staging area, south of Railway Avenue. All those planning to enter are asked to be there by 10:15 for judging. This year's categories include business, special interest groups, children's clubs and organizations, adult clubs and organizations and those reflecting this year's Elk Point's Canada Day theme, "Celebrate Canada 2006."

The children's decorated bicycles will be judged at 10:40, and will head out down the parade route at 10:50, just ahead of the main parade, which will start promptly at 11:00 a.m., led by the Vermilion Pipe Band.

The parade route will be basically the same as last year, heading north on 50 Street to the lane north of 51 Avenue, then cutting across at an angle to join up with 52 Avenue. From there, it will proceed west past Markstad Park, Parkview Extended Care and Buckingham House to 54 Street, then south to 50 Avenue, past Heritage Lodge and Elk Point Health Centre, then turning south on 53 Street for one block and then east past Fort George Manor to 51 Street, then south to return to the staging area.

Yard judging tonight

By VICKI BROOKER
Review Staff

Judging of the Canada Day Front Yard Decorating Contest will take place this evening, Tuesday, June 27.

This year's judging criteria were sent to all residents early this spring with the town's water bills, which may challenge the judging team more than ever.

Between two and five points will be given to each yard under consideration for each of ten items on the judges' checklists. These include red and white flowers; Canadian flag; Canadian banners, decorations, windchimes, balloons, ribbons, kites, umbrellas, etc.; decorated windows; decorated trees and shrubs; decorations on sidewalk, garage or outside of house; decorations easily seen from the street; unique Canadian or historical touches such as tents, furs, beaver toonies, loonies, Alberta flags, provincial birds or flowers, crests, canoes; happy birthday banner or sign; and overall appearance.

Awards to contest winners will be presented during the Canada Day stage show.

Celebrate Canada Day

(Continued from Front Page)

Right after the parade, at 12:00 noon, the concession at the A. G. Ross Arena, operated by the Elk Point Skating Club, and the Christian Community Church's famous pie tent will be ready to serve you their specialties. The Order of the Royal Purple will be at the pie tent a bit later in the afternoon to offer you a slice of their giant Canada Day cake.

This year's stage show has been moved up a half hour to 12:30 p.m., and will begin with a flag raising ceremony, followed by entertainment from Global Country Rising Star Tiffany Dowhan, fiddler Homer Poitras, the Country Playboys and as a special treat for the younger set, Josh Boyko and friends.

At 3:00 p.m. the action moves back downtown.

Bear Den's second annual Strength Challenge is in a new location this year, on 49 Avenue between 50 and 51

Street, from 3:00 to 5:00 p.m.

The doors of the Elks Hall also open at 3:00 p.m., with children's activities and free hot dogs and pop downstairs until 6:00 p.m. and a beer garden upstairs, with a beef-on-a-bun supper from 4:30 until 6:30 p.m.

Right next door to the Elks, from 5:00 to 7:00 p.m., Elk Point Oilmen's Association will be hosting their Tug-of-War behind the FCSS building. Come down and compete, or just come to cheer on those who do.

Another kind of competition gets underway at 7:00 p.m. at the Staging Area, as Dave Pilisko and Laverne Wilson put teams through their paces in this year's version of the Amazing Farm Survival Race. No one's

sure what they have up their sleeve this year, other than prizes from UFA, but it's bound to be fun.

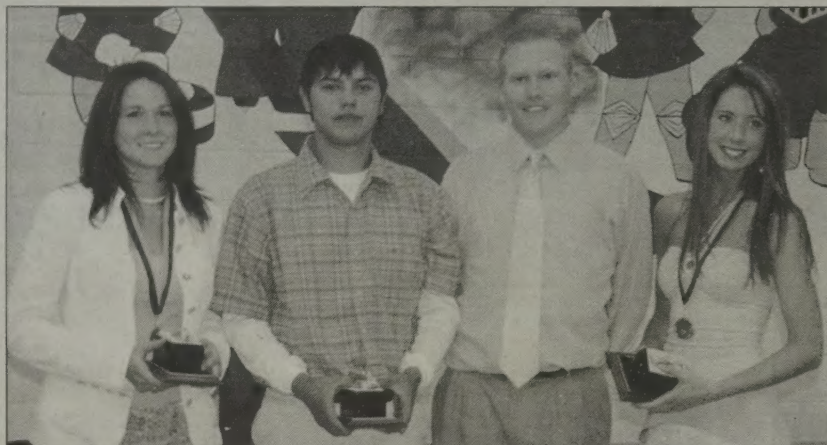

Back up on the hill, the doors of A. G. Ross Arena open at 7:30 p.m. for the Doc Walker Concert sponsored by Elk Point Elementary Parent Advisory Council, with Country Fyre as the opening act. Advance tickets only are now available at several locations around town or by phoning 614-0741.

To wind up a big day in grand style, fireworks will light up the sky at 11:00 p.m., down at the staging area.

Chamber bids farewell to the Quists

By VICKI BROOKER
Review Staff

Elk Point Chamber of Commerce welcomed RCMP Sgt. Brian Quist and Nicolette Quist to their June 21 meeting, and presented them with a farewell gift in recognition of their contribution to the community.

Shirley Harms told the Chamber that Sgt. Quist started his RCMP career in Manitoba, and later served in Williams Lake, BC and Fort McMurray. A move to Valleyview saw him promoted to Corporal, and the transfer to Elk Point just over two and a half years ago brought a further promotion to Sergeant. He is now transferring to Dawson Creek, BC where he will become Staff Sergeant.

"These promotions are a great tribute to Brian and what he has done in each community," Harms said. She also noted that he had earned two commendations from his commanding officers and one from his commissioner.

She noted that "behind every great man is a great woman, and Brian has four of them." Wife Nicolette is "very supportive of Brian's career," Harms said. The Quists have three daughters, Angela, who lives in Beaumont, Candace, who lives in Cincinnati, Ohio, USA, and Jordana, who is still in school.

"Brian has met his problems head on, and has been a mentor for the young men in the detachment. He is a role model of honesty and trust, which he has passed on to the new members, and as a team, they've done wonders. Brian treats everyone with respect, and gets the job done," Harms said. "Thank you for protecting and serving our community."

Sgt. Quist said his brother moved to the Elk Point area in 1996 and his parents two years later, so he and his family were especially happy to be transferred here, and have enjoyed their stay in the community.

"For a small town, there's really nothing we couldn't get here. I was

really happy with that," Sgt. Quist said.

He also praised the Chamber and their approach to rumours of drug problems in the high school and community.

"We did get a lot of help out of the meeting we had here. We did our part on three occasions."

Overall, Sgt. Quist said, "our time here has been really good. We'll be back."

In his new posting, Sgt. Quist will be the area representative for six detachments in northeastern BC and will be responsible for

internal supervision.

Chamber Briefs

Dwayne Yaremkevich displayed the revised set of plans for the train station and said an approximate cost for construction should be available in about two weeks, so fundraising could begin.

Myron Goyan reported that between 75 and 80 businesses have already purchased business licences, and there are about 50 more yet to come in. "Economic Development could be looking at a cheque in excess of \$6,000 by the

end of the month."

Thomas Kondla said the main emphasis of the business licence was to build a database of businesses in and around Elk Point.

A suggestion for expanded services for chamber members came out of the business retention and expansion focus group. A business visitation program, with an individual to meet with business owners by appointment and provide information and resources on a professional basis, was suggested. Kondla said he felt this could be a "very

important step for the chamber," and noted that this type of resource was Bonnyville chamber tripled in size when members knew available.

Lesia Porcina and Shirley Harms presented a farewell gift from the Elk Point Chamber of Commerce to Brian and Nicolette Quist, who took time off from packing to join the Chamber for supper last Wednesday.

Departing sergeant appreciated tributes

Sgt. Brian Quist had a last minute message for the groups which took part in a round of farewell gatherings before he and his family left Monday for Dawson Creek.

The Town of Elk Point, the chamber of commerce, Fishing Lake council, Frog Lake, the Elk Point RCMP detachment, Elk Point

Baptist Church and the Quist family all did their best to give the Quists a great send-off, he said.

"Your kind words and support at our recent farewell gatherings have only been surpassed by the assistance and support I have received from each of you during my time here.

Each of you have been special to me and will be missed."

The Protection of Children Abusing Drugs Act (PChAD)

The Protection of Children Abusing Drugs Act (PChAD) is an Alberta law that comes into effect July 1st, 2006 to help children under 18 years of age whose use of alcohol or drugs caused or is likely to cause significant harm to themselves or others.

The PChAD Act allows parents or legal guardians to ask the court to have their child confined to a protective safe house for up to five days. There, children will have a secure, structured setting in which to begin detoxification, and receive counselling support and a treatment plan to follow after they have been discharged. PChAD is designed to respond to the needs of children when other avenues of support have been unsuccessful.

A PChAD program is part of the range of youth services offered by the Alberta Alcohol and Drug Abuse Commission (AADAC) to assist children and their families with issues related to alcohol and other drugs.

Sportsmanship sadly lacking

Last Saturday night, 28 F. G. Miller High School students taking part in sports ranging from golf to cross-country to basketball and track were presented with medals for sportsmanship, showing that this is a very important part of the process of being involved in sports.

The Edmonton Oilers could take lessons from these teens.

No team wants to lose, especially the final game of the series, even in competitions much less prestigious than the Stanley Cup, however, it is an undisputable fact that there can be only one winner, whether it's an Atom Avalanche game or the Oilers versus the Hurricanes.

Losing is not the end of the world. It's a "we'll learn from our mistakes and try harder next time" moment. Our minor hockey and minor ball teams know that, how come their sports heroes don't?

Sorry to say, the major media don't help the situation, with their Doomsday headlines and talk of heartbreak and tragedy that rub salt into the sorest spots around.

We'll stick with reporters who talk about good sportsmanship and who firmly believe in better things to come.

WAY BACK WHEN...

Safe grads, school study, street woes

HERE'S THE NEWS THAT MADE THE HEADLINES OF THE ELK POINT REVIEW AND LAKELAND REVIEW FOR THE WEEK OF JUNE 27 IN...

1986

Graduates of F. G. Miller High School, represented by Malcolm Palamarek and Anna Fedorus, Heinsburg Community School, represented by Tracy Bettcher and Frog Lake School, represented by Dolores Faithful and Katherine Faithful, accepted Safe Grad banners from the Elk Point RCMP, the pledges they collected going to Ronald McDonald House and the Red Cross. Town Council voted to pay their share to the Regional Recreation Board, but because County council refused to do likewise, passed another motion to the regional board agreement as of December 31.

1991

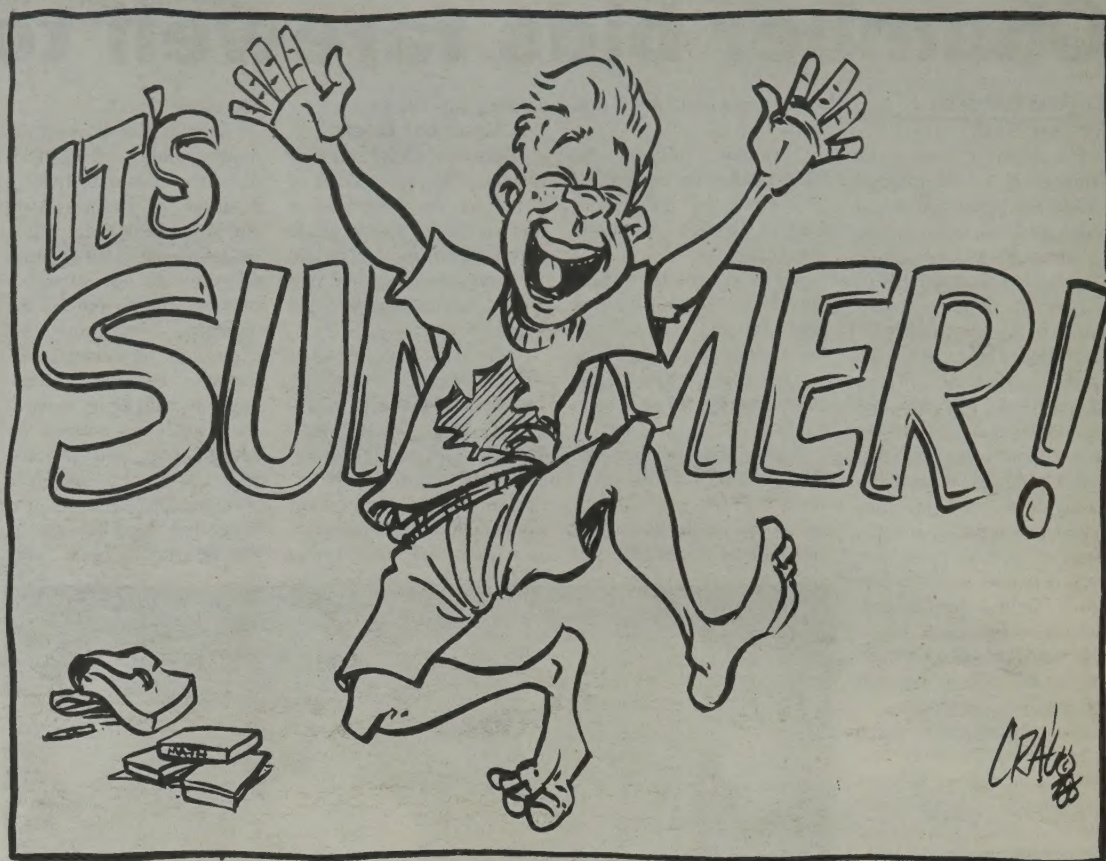

Agricultural Society president Glenn Harms and Bicentennial coordinator Billie Milholland announced that the RCMP Musical Ride would be coming to Elk Point for two performances in September. Elk Point Chamber of Commerce showed enthusiasm for a proposal by a local videographer to create a video for promotion of tourism in the area, although they agreed that funding the project, probably in the neighbourhood of \$7,000, would be a problem.

1996

Parents of students attending J. F. Dion School at Fishing Lake were reassured that the likelihood of closure of their school was "from zero to nil" and that a team studying it and other schools in the Northlands School Division was just there to see what needed improvement. Elk Point Lioness Club presented the Elk Point Health Unit and RCMP with a toddler seat and booster seat for use in child restraint education programs.

2001

It was the end of the route after 52 years behind the wheel of a school bus for Vernon "Babe" Sharkey of Heinsburg, who saw many changes in road conditions and bus styles over those years. Mayor Ed Buck said he was going to lobby Alberta's provincial ministers long and hard to free up some money for much-needed industrial park road improvements.

GUEST COLUMN

Canadian patriotism?

What's that you say? Is there such a thing as Canadian patriotism? Actually, when looking for a definition of such, I couldn't find one. However, there is a definition of patriotism which the dictionary states it is "Love for or devotion to one's country." To go further than that, I found some quotes by famous Canadian people which give their patriotism viewpoints.

Agnes Macphail said: "Patriotism is not dying for one's country, it is living for one's country, and for humanity. Perhaps that is not as romantic, but it's better."

John Diefenbaker (from the Canadian Bill of Rights, July 1, 1960) said: "I am a Canadian, free to speak without fear, free to worship in my own way, free to stand for what I think right, free to oppose what I believe wrong or free to choose those who shall govern my country. This heritage of freedom I pledge to uphold for myself and all mankind."

Pierre Trudeau said: "Our hopes are high. Our faith in the people is great. Our courage is strong. And our dreams for this beautiful country will never die."

Lester Pearson said: "Whether we live together in confidence and cohesion with more faith and pride in ourselves and less self-doubt and hesitation; strong in the conviction that the destiny of Canada is to unite, not divide; sharing in cooperation, not in separation or in conflict, respecting our past and welcoming our future."

It is said that "Canadians can believe in community."

deanna
EASTHOPE

from the FCSS desk

Our volunteers across Canada prove that. Canadians believe that "complex problems can have simple solutions." We kind of expect our government to solve problems without too much debate. In other words, just do it. Canadians believe that "wants aren't needs." In other words, as Canadians, we will wait and most of the time we are patient because we know that needs have a priority over wants. Canadians believe that "integrity means: learn, think and act." In other words, we like to research all possibilities first, then we want to ponder about it and then we will do it because we have decided it is the best way to do it. And in conclusion, "Canadians believe in themselves." In other words, we like to do it ourselves because we know we can.

So there you go. All of the above are thoughts about being Canadian. We have only four more sleeps until we will have the opportunity to celebrate Canada Day on July 1, 2006 in our town of Elk Point. For details of activities and times, refer to the ad in this paper, on posters around town and on the flyer in your local mailbox. Come one and come all to Elk Point. Let us celebrate Canada's 139th birthday.

We do love our country and we are patriotic. Sir Winston Churchill said: "There are no limits to the majestic future which lies before the mighty expanse of Canada with its virile, aspiring, cultured and generous-hearted people." Yes, together, we are a great people. July 1 is a day of celebration. Let's celebrate who we are.

Not every Canadian will be able to celebrate on Canadian soil. I am remembering those Canadians who are serving in Afghanistan. The work they are doing there may mean more to Afghanistan than we will ever know. Canada has 2,300 soldiers in southern Afghanistan and they took command in February of a multinational force fighting Taliban and al-Qaeda members. Thus to all Canadians, wherever you might be, we are proud of you because you are one of us.

We are Canadians! Happy Birthday, Canada!

French Club keeping busy

By LILY PENTEK
F. G. Miller High School

French 20 field trip

On May 10, 2006, the French 20 class, along with Mrs. Maas, Mrs. Wozniak and Mme. Pentek, went to the Creperie Restaurant in Edmonton to experience delicious French cuisine.

They ordered their choice of crêpe for an entree and ended the meal by having a dessert crêpe with ice cream. They were able to practice their French language skills while ordering lunch.

Later the group went for a tour at the St. Albert Heritage Museum where they learned more about Métis history and culture. It was a fun and educational experience for all.

French Club hosts concert

Their final number said it all. Through teamwork, enthusiasm and determination, a group of students put together an excellent concert on June 7.

The performance included "O Canada" and "Ode to Joy" by Nicole Kalynchuk on clarinet, "Heart of Gold" by the Bucking Jarmosliaks, "The Rain in the Park" and "Blowin' in the Wind" by Emily Mosley, "For Whom the Bell Tolls"

by Billy Hudy and Francis Legault, "Sunrise" by Alex and Oliver Buck, "Leavin' Trunk" and "It's Rainin'" by the Blues Group, "Bad Moon Rising" and "Beautifully Broken" by Sage Lowry, "Call of the Kutulu" by Dusty Frisby and Francis Legault, "Pauly" and "Something in the Way" by Andrea Lee and Alex Buck, and "Heaven's Coming Down" by Emily Mosley and Sage Lowry.

Josh Boyko, a former Crusader, did a guest appearance and performed a few songs. For their last

number, the whole group got on stage and performed "Rockin' in the Free World."

The group appreciated the support of all who attended and assisted with the event. Mr. Kryz set up the sound system, Mr. Wilson and Mme. Pentek supervised, Cathy Olstad manned the donation table, Mr. and Mrs. Buck and Mr. and Mrs. Mosley supervised and cleaned up, and JMB Crushing donated doughnuts.

Since it was an enjoyable experience, the group will probably do another performance next year.

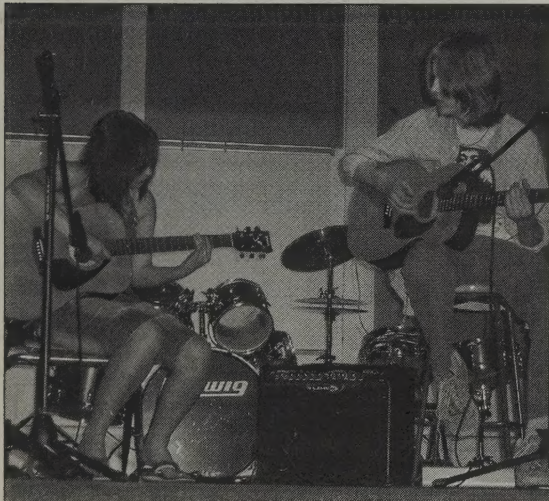

Mme. Pentek and the French Club enjoyed a great meal and a glimpse at the huge crêpe making machine at The Creperie on their field trip.

The stars of the French Club concert combined their considerable talents in the final number, the classic "Rockin' in the Free World."

Andrea Lee and Alex Buck performed two numbers for the appreciative crowd.

Squirt girls win it all

It's all down hill from here, the longest day of the year has gone bye-bye. That's the real nice thing about this time of year, the longest days of summer; you can actually play a full ball game after 7 p.m. and not have to rush to finish it.

The Sox traveled to the bright lights for a Friday night match up with Ryan "Little M" MacDonald on the hill against the Edmonton Warriors at the good old Spartan Field. "Little M" took down nine batters by himself and the Sox had a decent game on the field in the defense department, only six runs scored against them, but something is terribly wrong with their batting department, only four hits in this game. "Sonny Boy" Benson bringing in the Sox only run, with a RBI double to the right side, Tyler Loughran got on base with a single, he scored the only Sox run, Jon Schmitt driving one up the middle, and Brad Swedgan taking one

out to deep left for a single. The Warriors winning this one 6 to 1. Six runs in a seven inning game is not that much. The boys did play decent defense, including "Tater" Jensen who had a good night at first base scooping up the ball out of the dirt, as well as "Sonny Boy" played on the hot corner third base, making some strong throws over to the "Tater". Back catcher Brett Youngmans had an excellent game as well behind the mask, picking off three guys trying to steal bases.

The Sox are now one game under .500 and will be getting re-tiered for the month of July, the final run before the provincial final on July 21,22, and 23.

Although we have applied to host the final it will not be announced until this coming week.

That's all she wrote folks. The grand finale. The final weekend for most of our minor ball teams competing in the Lakeland league final tournaments was this past weekend. How did we do?

Squirt Girls

The Elk Point squirt girls playing in St. Paul won it all! In their first game they lost to St. Paul "A" team 18 to 15, Taylor Cochrane and Lisa Vallee pitching. Their second game they won over Pierceland. Kayla Gibson and Taylor Cochrane sharing the pitching duties. And in the final game they won 16 to 9 over the St. Paul "B" team, Taylor Cochrane pitching in this one. In July, Taylor Cochrane, Lisa Vallee, Lindsey MacDonald, Katie Maennchen and Seanna Joy Leaf will be going on to provincials on a combined team with St. Paul.

Doug Bassett photo

John Schmitt takes one deep in Friday's Sox vs Warriors action at Spartan Field.

Bantam Girls

The Bantam girls in Bonnyville on the weekend finished third overall. In July Layissa Cochrane, Bailey Youngmans and Terri White are joining Vermilion's provincial bantam team, and Cassie Cochrane will be joining the

Vermilion midget provincial team.

Peewee Girls

The Peewee girls led by coach Brandi Becker lost their first game in St. Paul against St. Paul; but they all played awesome in the second game winning against Cold Lake.

Bantam Boys

Brett Lindquist pounding out a home run, Dustin and Dylan Berg and Dylan Loughran all doing a good job pitching at home in Elk Point on Saturday, but it wasn't enough, the bantam boys losing to Goodfish and St. Paul. Coach Lorn Berg and some of his boys will be joining up with Bonnyville for provincials this year.

Peewee Boys

Pitcher Riley Pankiw was named the MVP for the Elk Point Peewees who were in Pierceland playing against Goodfish and St. Paul. The boys lost, but have come a long way since they started and had a lot of fun learning new skills this year.

Lacrosse News

Diane Dewan reports that first year players Brandon Rainey and Wyatt Dewan had a great season playing Lacrosse in Vermilion for the Vermilion Roar Peewee Team. Their team won the league playoffs and they are hosting Provincials July 7-9. Beaudon Rogers played Lacrosse for the Vermilion Roar Novice Team. This was also his first year. They had a great time playing and it was a good learning experience for them.

And now for the K.A. Campbell quote of the week- " Good ball players make good citizens." Last week's answer to- " Next to Abraham Lincoln and George Washington, the name A.G. Spalding is the most famous in American literature." - Boston Herald Editorial, around 1800..

The end of a 4-H year

By **DARREN TYMOFICHUK**
Club Reporter

Our Beef Achievement Day and District Show and Sale went well. Our members did well at the club show and district show and sale. Thank you, Mrs. Brooker for the awesome coverage.

Janice Tymofichuk and Robyn Ockerman competed in the rain at the District Heifer Show on June 12 in Goodridge. They had fun even though it rained all through the show.

On June 9 we had our year-end party at Stoney Lake. We had a steak barbecue supper. We presented Mr. and Mrs. Wruth with stadium blankets for all the years of involvement and support for our program. The year's final three awards were presented,

with Tyler Ockerman receiving the Terry Holmgren award for junior members, Laryssa Cochrane receiving the Spirit of 4-H award for intermediate members and the Bruce Smith Memorial award going to Bryant Schnurer. Thank you to all who came to enjoy a nice evening with us.

Our last meeting was on June 20. During the summer, members will be attending camps and participating in horse shows. We will be having an Open House Info Night to start a new year on September 13 at F. G. Miller High School.

Nicole Tymofichuk and I also attended a Northeast Regional Adventure Day on May 27 at the Lakeland College. It taught lots about different clubs and projects

and it was fun! We saw a horse drill team, the goat project, a gun project, parts of a rabbit project display, draft horse project and many more. We toured the fire school too, it was very neat.

Club leader Shelley Tymofichuk would like to apologize to Buffalo Oil Corporation for the error in their business name in the thank you to steer buyers, and also for shortening any names of our supporters. "We would like you all to know that your support to our entire program is greatly appreciated. Sorry once again."

Years of volunteering and support of 4-H by Lee and Mable Wruth were recognized at the year-end barbecue with the presentation of stadium blankets from the club. Robyn Ockerman and Laryssa Cochrane made the presentation.

Terry Holmgren presents his award to junior member Tyler Ockerman, who enjoyed his first year in 4-H.

Laryssa Cochrane presents the Bruce Smith Memorial Award, donated by Allen and Lucille Smith, to senior member Bryant Schnurer.

Fun at Ferguson Flats

The annual Ferguson Flats Family Picnic included visits to Fern Chapel School (above) where Olga Ockerman told stories of long-ago school days, kids' races (top right) and of course the annual multi-generational ball game. Homemade pie, ice cream cones and plenty of reminiscing were also on Sunday's sun-drenched agenda for an old-fashioned good time.

Parent Nursery playgroup winds up season

INFORMATION SUBMITTED

The Elk Point Playgroup (AKA the Elk Point Parent Nursery Society) wrapped up a busy year with a party at the Elk Point Recreation Park Playground on June 21.

Nearly two dozen babies and toddlers came out to play and enjoy a hot dog lunch. The children had a great time digging in the sand, climbing the equipment, and blowing bubbles. We even had quite a few grumpy old trolls under the bridge!

Playgroup is now wrapped up for the summer,

but we will resume in September in the basement of St. Michael's Parish. Our annual general meeting and start up date will be advertised in the Elk Point Review. We want to thank everyone who joined us this year and hope to see you again next year!

Newcomers who want more information about Playgroup can contact Melissa Rogal at 724-4302 or Margaret Bayduza at 724-2621. The Elk Point Playgroup gives children (0 to 5 years old) and their parents and opportunity to have some fun and socialize.

Fun by the sandbox full was the order of the day atg the Playgroup windup.
